## Staff Member of the Week

The Staff Member of the week is Cindy Shelby. Her favorite thing about being a teacher is the excitement the students have when they learn. Her favorite color is blue, and one of her hobbies is cooking. A fun fact about Mrs. Shelby is that she hiked the half dome in Yosemite. Her all time favorite food is Mexican food.

## Student of the Week

The student of the week is Jaden Tovar. His favorite food is enchiladas, and his favorite animal is an Alligator. His favorite sport is football, and his favorite subject in school is biology. If he could go anywhere for vacation, he would go to Hawaii.

## Sam's Scoop

### Groundhog Day

Why do we base our seasons on an animal's shadow? How was this tradition even passed? This groundhog is only correct less than 50% of the time. If I were wrong in my job 50% of the time, I would get fired. So why do we continue to do this year after year? Why do we allow this animal to control our lives? Why, why, why?! Anyways, he didn't see his shadow so six more weeks of winter.

## Elementary News / Going Ons

Turning away from gossip can be difficult. Sometimes it can be hard for people to recognize they are participating in gossip. A rumor is information being shared about a person who is not there to defend themselves. Here are 4 tips to stopping rumors and gossip:

- Resist. Use restraint and don't be tempted to spread a rumor.
- Distract. Tell a joke or a story to take the attention away from the rumor.
- Be honest. Tell the messenger that you do not want to talk about somebody who is not present because you feel it is wrong.
- Ignore. Don't respond verbally. Walk away and pretend you have other things to do.

2nd - 5th Grade students participated in Elementary UIL events this week. Way to go kids.
