

Junior High & High School Science Supply List

[Grades 6-8, Biology, Chemistry, Physics, & Environmental Systems]

Students will be expected to come to class everyday with the following supplies:

- 1 100-page composition notebook (not spiral)
- 1 folder with pockets
- Writing utensil (pen and pencil are both acceptable)
- Red or different-colored marking pen
- Coloring utensil (colored pencils and markers)
- Highlighters
- Paper (college rule)

**A few additional supplies may be requested the first few weeks of school*

We cannot wait to see the smiling faces of all students, both familiar and new. It is going to be a fantastic school year in the Science department. Go Bulldogs! 🐾
